

REGIONAL EMPOWERMENT, ECONOMIC GROWTH:
Accessing Technology in the Delta Region

January 25-26, 2001

Vicksburg Convention Center ■ Vicksburg, MS

Speaker Bios

Ms. Anita Balachandra is the Director of the Commerce Department's Experimental Program to Stimulate Competitive Technology (EPSCoT), a grants program designed to support technology-based economic development. EPSCoT supports partnerships between state and local governments, universities, community colleges, non-profit organizations and the private sector. Ms. Balachandra has worked on state and federal technology policy issues for six years at the Department of Commerce. Prior to that she worked as an independent consultant in technology and economic policy, domestic and international. She holds a bachelor's degree in economics from the University of California at Berkeley and a master's in city and regional planning from Cornell University.
